Catalog Page

The screenshot shows a web browser at the URL `shop-generic.valuein.io/product/PRI`. The page features a breadcrumb trail: `Catalog > Primary`. The main content area includes a product name, a short description, and a price of `0.50 € / Month`. A section titled `Product related to Primary` lists a related product, `Test standalone product 1`, also priced at `0.50 € / Month`. Annotations with red arrows point to these elements from yellow boxes containing instructions on how to configure them in the admin interface.

Cart Page

The screenshot shows a cart page with a navigation bar at the top containing a logo, a home icon, and a search bar. Below the navigation bar is a progress indicator with four steps: 1. Cart Validation, 2. Shipping Address, 3. Billing Address, and 4. Your order payment. The main content area is titled "SUBSCRIPTION CONTENT" and displays a table of items:

Label	Quantity	Unit price	Sub-total
Robot sample recurring per-unit charge	1	128.00 € / Each / Month	128.00 € / Month
Robot sample one-time flat-fee charge		42.00 €	42.00 €

Below the table is a "Reset cart" button. To the right of the table is a summary section with two columns: "This month" and "Today".

This month

Subtotal	128.00 €
Tax	21.33 €
Grand total	128.00 €

Today

Subtotal	42.00 €
Tax	0.00 €
Grand total	42.00 €

Below the summary is a "Subscription creation date" section:

Subscription creation date: 11/10/2022
Billing start date: 11/10/2022
Initial term: 1 Month
Renewal term: 1 Month
Will be automatically renewed: No

At the bottom of the cart page are two buttons: "Update cart" and "Validate cart".

Unit of measurement will be display according to the **Admin>Products and Groups>product rate plan settings**

The screenshot shows the Admin interface for editing a product rate plan. The breadcrumb trail is: Home / Product Rate Plan List / Robot sample product / Robot sample rate plan. The page title is "Edit 'Robot sample product / Robot sample rate plan'".

The "Display" section shows the product name "Robot sample product" and the title "Robot sample rate plan".

The "Pricing" section shows the external ID "Robot sample rate plan" and the position "0".

The "Charges" section is a table with columns: Delete, External id, Title, Base price, Specific pricing, Quantity, Unity of measurement, and Quantity Configuration.

Delete	External id	Title	Base price	Specific pricing	Quantity	Unity of measurement	Quantity Configuration
<input type="checkbox"/>	Robot sample recurring per-unit charge	Robot sample recurring per-unit charge	128	128	1	Each	Editable
<input type="checkbox"/>	Robot sample one-time flat-fee charge	Robot sample one-time flat-fee charge	42	42	1		Checkbox

The "Dynamic Pricing Setting" section is disabled.
